

UA RUHR PROBABILITY SEMINAR

Helene Götz (Dortmund)

Large deviations for spectral measures of random matrices under nonstandard scaling

Philipp Tuchel (Bochum)

Asymptotic behavior of random projections of high-dimensional ℓ_p^N balls

Roman Gambelin (Essen)

An extension of the algebraic Aldous diffusion

When? October 27, 2025 14:30 - 18:00

**Where? Ruhr University Bochum,
IB 1/103 (Friedrich-Sommer room)**
